

Student *Intro Stats with Support* by Matt Teachout e-Book Access Directions

Go to the COC bookstore and purchase the access code for the textbook *Intro Stats with Support* (ISBN#9798385182404) by Matt Teachout. You can also go to he.kendallhunt.com and type in "*Teachout*" into the search box. Click on the *Intro Stats with Support* by Matt Teachout textbook link to purchase an access code.

Go to www.vitalsource.com . Then click on "Sign In" and "Create a Vital Source Account". Put in your email address and a password to create an account. Then click on "Sign In" and put in your email address and password. You are now signed into Vital Source. Click "Redeem" at the top of the page, type in the access code you purchased in the "Redeem" window and then click "Redeem" next to the access code. You should now have access to the e-book. Click on "(Your Name) Bookshelf" at the top of the page. You should see the e-book "*Intro Stats with Support*" in your bookshelf. Click on it to open the textbook.

If you have trouble using the code and BookShelf / Vital Source to access the textbook, go to customer support on the vital source website. Go to www.vitalsource.com, scroll to the bottom of the page, and click "Vital Source Support". They have FAQ's, troubleshooting guides, and a "contact us" button.
